Our Three Year Olds participate in a variety of activities throughout the day which allows them to explore and learn alongside other children. We believe that strong social skills are very important and are reinforced during play, circle time and calendar, story time, snack and all activities experienced both in and out of the classroom. The Threes follow learning "Themes of the Week" and "Letter of the Week" such as Western Week and "W", Space Week and "S", etc., and have a color and shape of the month as well.

Each day that your child is here at preschool he/she will have the opportunity to participate in play (both indoors and out), art, snack, story time and circle time. They will also participate in a separate weekly Music and Creative Movement class.
