Our Two Plus program is designed to provide your child with a fun and loving environment in which they are free to learn and play with other children. The children are encouraged to develop independence and self-help skills such as hand-washing, pottying and cleaning up after themselves. The two plus class is introduced to colors and shapes through the color and shape of the month, numbers 1-10 and counting, name recognition as well as group participation and practicing good manners. They will also further develop and strengthen fine motor skills through activities like coloring and cutting as well as listening and following directions.

Each day that your child is here at preschool he/she will have the opportunity to participate in play (both indoors and out), art, snack, story time and circle time. They will also participate in a separate weekly Music and Creative Movement class.

A school bag will be provided for your child at the beginning of the school year. We ask that you provide your child's teacher with a weather appropriate change of clothes.
