

LAMB Honduras Mission

Mission LAMB (US) acts in partnership with LAMB (Honduras Ministry) to accomplish their mission of sharing the hope found in Christ Jesus as they care for, educate, protect, and empower those suffering extreme poverty, abuse, and exploitation in Honduras. We exist to give glory to God by sharing what He is doing through his servants in Honduras, by praying with and for them, by providing financial resources and oversight, and by extending opportunities for churches and individuals to join in his work.

We grow Disciples of Jesus Christ through . . .

- SPSP supports missionary work in Honduras through donations and on-site help with the LAMB Institute in the two schools in Honduras – one in the poorest part of Tegucigalpa and one in the countryside where there is a home for abused and abandoned children.
- SPSP coordinates with dioceses and parishes to support these efforts and also makes periodic visits to be on the ground with support needed.
